

10 DAYS TANZANIA CAMPING SAFARI

**TRAVEL
WITH
CONFIDENCE**

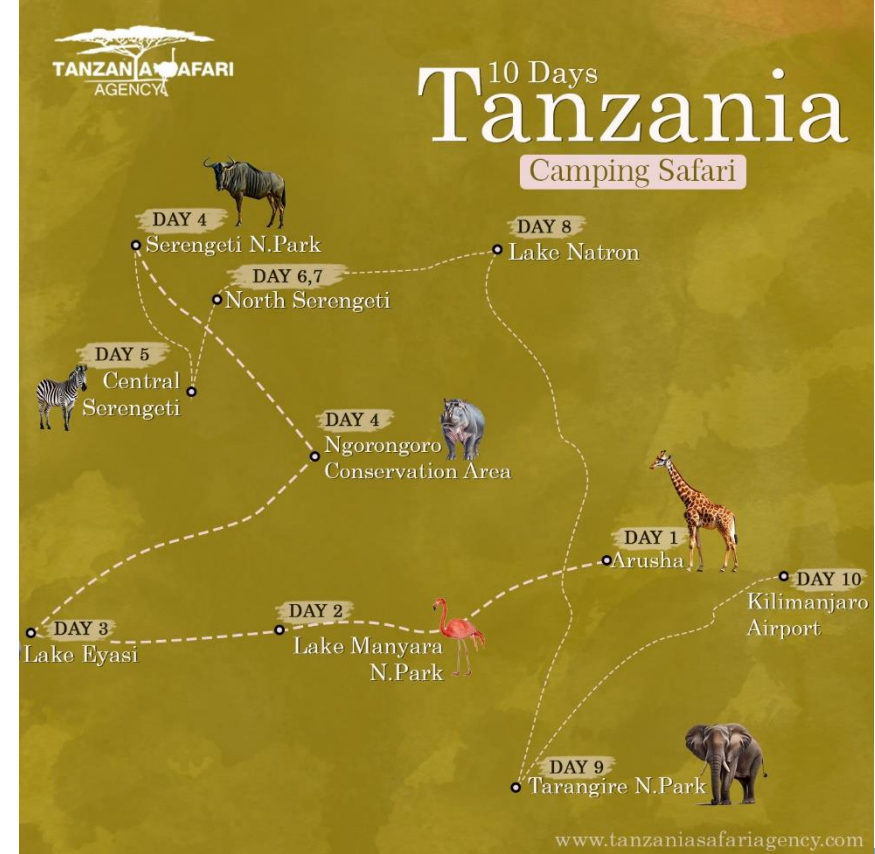

A dramatic sunset over a savanna landscape. The sky is filled with vibrant orange and red clouds, with the sun low on the horizon. In the foreground, the silhouettes of a herd of animals, including elephants and rhinos, are visible against the bright light. A large, leafy tree stands on the left side of the frame.

10 Days Tanzania Camping Safari to will take you to Tanzania's best areas for wildlife viewing. Extra time will allow you to see several lakes and add on cultural visits. Lake Manyara is ideal for viewing birdlife with over 400 species. Ngorongoro is the largest intact crater in the world abundant with wild game including elephants, rhinos, cheetahs, lions, leopards, and hyenas.

You will visit the highlights of northern Tanzania such as the Tarangire National Park, Lake Natron, the Serengeti National Park and the Ngorongoro Crater. Unique to this safari is the "off the beaten track" trip to Lake Natron, offering you a real sense of adventure.

DAY 5: CENTRAL SERENGETI GAME DRIVE

After breakfast, continues with both morning and afternoon game drives in Serengeti National Park. Remember this is the migration safari, so as Serengeti is very large as your game drives will depend on the move of the migrants, your guide knows very well how to locate the herds. The Serengeti National Park is famous for the 'Great Migration', over one million wildebeest and two hundred thousand plus zebras each year follow the rains.

In October and November, they travel from the mountains of the north, southwards to the plains seeking lush pastures. After the great rainy season in April, May, and June the herds then make their return ward journey. Even without this mass migration, the Serengeti is still an exciting and spectacular place that still cannot fail to enthrall.

- Dinner and overnight at DIKDIK CAMPSITE

DAY 6: CENTRAL SERENGETI GAME DRIVE TO NORTHERN SERENGETI

After breakfast Early in the morning we will do a game drive in Serengeti going to the northern Serengeti, on this day we will have a chance to follow the migrations where will be in Serengeti, the animal migration at the Northern Serengeti. You can see wildebeests, zebras, topi hartebeests, elands, antelopes, hyenas, and various birds singing on the trees while viewing the beautiful landscape and nature.

- Dinner and overnight stay at Lobo campsite

DAY 7: NORTHERN SERENGETI

After having breakfast, you will experience a game drive following the animal migration at the Northern Serengeti. You can see wildebeests, zebras, topi hartebeests, elands, antelopes, hyenas, and various birds singing on the trees while viewing the beautiful landscape and nature.

Usually, in July, August and the beginning of November, the migration reaches its northern range in which the herds cross the grasslands on either bank of the crocodile-infested Mara River twice, as they complete their migration. You will also be able to enjoy the sunset at Serengeti between 18:20 – 18:40 after the game drive before returning and staying overnight at Lobo Campsite.

DAY BY DAY ITINERDAY

DAY 8: NORTHERN SERENGETI – LOBO TO LAKE NATRON VIA CLEINS GATE

After breakfast explore Northern Serengeti, we will do a game drive and heading to Lake Natron Via Kleins gate and enjoy its spectacular bird life including colourful birds like bee-eaters, kingfishers and woodpeckers. But also try to spot eagles and vultures in the higher-lying canopies, it is situated at the base of Africa's only active volcano, Oldoinyo Lengai, known as the "Mountain of God" to the local Maasai people. The area surrounding Lake Natron contains some of the most harsh and amazing scenery in Africa and is utterly breathtaking.

Together with your Guide, you will be accompanied by a local Maasai Guide and walk up to the Engero Sero Waterfalls. Winding up through the shady gorge you will reach a beautiful natural swimming pool surrounded by steep rock walls showered by cascading spring water where you will have the opportunity to swim.

At approximately 11pm, you will be woken up with tea or coffee and a light snack before meeting your Mountain Guide and beginning your trek into the night.
