

# 3 DAYS CAMPING SAFARI TANZANIA

**TRAVEL  
WITH  
CONFIDENCE**

A dramatic sunset scene in a savanna. The sky is a deep orange and red, with a bright sun low on the horizon. In the foreground, the silhouettes of several animals, including elephants and a giraffe, are visible against the bright light. A large, leafy tree stands on the left side of the frame. The overall mood is serene and majestic.

**The 3 Days Camping Safari Tanzania package begins in Arusha and covers three of Tanzania's top parks: Tarangire, which has a greater elephant population, Lake Manyara, where you may see tree-climbing lions and beautiful flamingos, and Ngorongoro Crater, which has 600 meters high cliffs. The most economical private Tanzania safari is this short Tanzania Camping Safari to the Ngorongoro Crater, Tarangire, and Lake Manyara. The journey begins and concludes in Arusha, Tanzania's tourism centre, where we will meet you at your lodge or hotel for a quick safari briefing the day before or in the morning before heading for Tarangire National Park.**

# HIGHLIGHTS

- *Enjoy the authentic attraction with the local Masai tribe.*
- *Experience an amazing wildlife that you have ever thought possible.*
- *Spot the big cats & if lucky the big 5 which include lion, leopard, buffalo, rhino & African elephant.*

## DAY BY DAY ITINERARY

### **DAY 1: ARUSHA – TARANGIRE NATIONAL PARK**

**Distance: 139 km**

**Non Game Viewing Time: 2 to 3 hrs.**

After breakfast, we meet you at your lodge in Arusha for a short safari briefing then driving to **Tarangire National Park**. On the way, you will pass at the middle of Arusha town for any last-minute purchase before heading to the bush. This Park is known for its huge Elephant population and giant Baobab trees. Over 3000 elephants has been recorded in this park moving around the Tarangire Lake Manyara ecosystem.

The park drives its name from the famous River (Tarangire River) that crossing at the middle of the park and saves as a permanent source of water in the entire area. The park has got a beautiful landscape and it is home to the same rare animal species like Greater Kudu, Fringed Eared Oryx and the Ash stalling. Lion, leopard, hyena, jackal, buffalo, giraffe, wildebeest Zebra & many antelopes can be spotted in this park. Late afternoon drive to **Migombani Public Campsite** or similar close to Lake Manyara for sunset watch, dinner & overnight.

Overnight at **Migomban Public Campsite** close to Lake Manyara. All meals include.

## DAY BY DAY ITINERARY

### **DAY 2: TARANGIRE – NGORONGORO CRATER**

**Distance: 87 km**

**Non Game drive Time: 2 to 3 hrs.**

**3 Days Camping Safari** Tarangire, Ngorongoro Crater & Lake Manyara continues on this day as we take you to our beautiful Ngorongoro Crater. After breakfast at your campsite depart for Ngorongoro Crater. The driving is across the Great East African Rift Valley & along the high-lying farmland of Karatu, reach Ngorongoro gate for check-in before driving up to the Crater viewpoint for some nice pictures of the crater floor from the rim. Ngorongoro Crater is often defined as one of the wonders of the world, mistakenly called a Crater but it is rather the world largest unfolded volcanic caldera and a natural sanctuary for some of Africa's densest animal populations.

The crater has about 2000 ft high walls. You can expect to see lions, Hyenas, Jackals, elephants, zebras, hippos, rhinos, antelopes and many bird species including flamingos. End up this day by driving up & out of Ngorongoro conservation on the way during sunset you will stop at Lake Manyara viewpoint for some nice picture of Lake Manyara & its forest from the edge of the Great East African Rift Valley then drive down to Migombani Public Campsite or similar close to Lake Manyara for dinner & overnight. Overnight at **Migombani Campsite** or Similar close to Lake Manyara. All meals included.

## DAY BY DAY ITINERARY

### **DAY 3: LAKE MANYARA NATIONAL PARK -ARUSHA**

**Distance to Lake Manyara: 7 Minutes**

**Distance back to Arusha: 120 km - 2 to 3 hrs.**

After breakfast at your campsite drive to Lake Manyara National Park for Game drives. Lake Manyara is a beautiful & ever-green park due to underground water streams that flows from the Great Rift Valley to the Lake.

Park's varied habitats with plenty of water and fodder attract a wide variety of wildlife including herds of African elephants, buffalo, zebra, impala, hippos, giraffe and many antelopes. The famous Lake Manyara tree-climbing lions and other predators can be seen in this park. Massive but shallow soda lake is home to some colourful flamingos and other aquatic birds feeding on algae and other water creatures.

Late afternoon (Depending on your flight time) drive back to Arusha via Mto wa mbu town for overnight or drop off at the airport. (If you wish you can visit some Masai market on your way back to Arusha). Join us again for this short but incredible **3 Days Tanzania Camping Safari** where you visit the 3 great Northern Tanzania parks of Tarangire, Ngorongoro Crater & Lake Manyara.
