

9 DAYS

TANZANIA PHOTOGRAPHIC SAFARI

TRAVEL WITH CONFIDENCE

A dramatic sunset over a savanna. The sky is a deep orange and red, with scattered clouds. A large, bright sun is low on the horizon, casting a long, shimmering reflection on the ground. In the foreground, the silhouettes of a herd of animals, including elephants and wildebeest, are visible against the bright light of the sun. To the left, a single, large acacia tree stands prominently. The overall scene is a classic African savanna landscape at dusk.

The 9 days Tanzania Photographic Safari will take you to southern Serengeti for migration season and offer you 9 days of scenic on the vast savannas full of wildebeest. Tanzania Safari Agency offers you a 9-days Tanzania photograph tour.

Tanzania photograph tour 9 days will let you experience the Classic migration calving season and take you to the Mara River for the spectacular migration crossing which is an experience of a lifetime.

A photograph of a savanna landscape featuring several giraffes of various heights. In the foreground, three people are visible: two men wearing red shukas and a woman with blonde hair. They appear to be observing the giraffes. The background is filled with tall grass and green bushes under a bright sky.

## DAY BY DAY ITINERARY

### **DAY 1: ARRIVAL KILIMANJARO - ARUSHA**

Upon arrival at Kilimanjaro International Airport, you will warmly be met by our representative and transfer you to your place of stay in Arusha for dinner and an overnight.

### **DAY 2: ARUSHA – CULTURAL TOURS - NGORONGORO**

After breakfast, drive to the Highlands of Ngorongoro Crater. Along the way you will stop and discover the local village of Mto wa Mbu and experience the real African life, the local market and enjoy the exceptional hospitality of the local people. After a home – hosted local lunch, you will drive up across the Great East African Rift Valley and enjoy another cultural experience, a visit to the Iraqwi People. Iraqwi People are ancient Cushitic people who moved here from the “Horn of Africa” nearly 1’000 years ago and they practice farming in the area. Later during the day, drive up to Ngorongoro Conservation Area for dinner and overnight stay on the rim of Ngorongoro Crater.

## DAY BY DAY ITINERARY

### **DAY 3: WILDLIFE PHOTOGRAPHY IN NGORONGORO CRATER**

Early in the morning, leave with breakfast and descent down into the famous Ngorongoro Crater for another special opportunity for African Wildlife Photography. Afterwards, you ascend on the most breathtaking walls of the caldera to your place of stay on the rim of the Crater. With a large concentration of animals and short grasslands, Wildlife Photography in the crater or more appropriately a caldera, is excellent as animals are everywhere! Later during the day, you will ascend on the most breathtaking walls of the caldera to your place of stay on the rim of the Crater.

### **DAY 4: WILDLIFE PHOTOGRAPHY IN NGORONGORO CRATER**

Rise up early with the sun and descend down into the Ngorongoro Crater for another great Tanzania Photographic Safari experience. Ngorongoro Crater is such a unique safari destination, a veritable "Garden of Eden". The caldera is reputed to contain the highest density of carnivores in the world and the only place in East Africa where one can easily observe the last remaining populations of Black Rhinos in the real natural world. Dinner and overnight stay in Ngorongoro

## DAY BY DAY ITINERARY

### **DAY 5: NGORONGORO – SERENGETI**

Today you drive to Serengeti National Park for lunch and an afternoon game viewing in the Park. Serengeti is Tanzania's most renowned national park and a home to the greatest concentrations of large mammals on the planet. The name Serengeti is derived from a Maasai word 'Siringet' to mean 'endless plains', and these rolling distances of short grass plains provide an exceptional landscape for African Wildlife Photography; your ultimate safari country– this is the highlight of your safari, you are in the total wilderness of Africa with game viewing around you to give you, your very own 'Out of Africa' experience! Dinner and overnight stay in the heart of Serengeti.

### **DAY 6: WILDLIFE PHOTOGRAPHY IN SERENGETI**

The following day you will have game drives at your leisure and track wildlife in the Mighty Serengeti. Serengeti National Park never disappoints! The location of your accommodation is chosen to ensure you get the best for your African Wildlife Photography. Dinner and overnight stay in the heart of Serengeti

## DAY BY DAY ITINERARY

### **DAY 7: WILDLIFE PHOTOGRAPHY IN SERENGETI NATIONAL PARK**

With picnic lunch, game drives in the Serengeti to view and photograph the great migration of animals. In this Park, you will be so amazed by the endless plains of the Serengeti dotted with thousands and thousands of game animals decorating the plains and the woodland pockets in the area! In the wake of all these, follow the predators- Lions, Leopards, Cheetahs, Hyenas and Jackals, while vultures circle overhead to clean up. It is this migration that many people envisage when they think of the "Wild Africa". The timing is so perfect to enable you enjoy the magic of real African wilderness and the beautiful African Sunset at the horizon that spice up your special African Wildlife Photo Safari! Dinner and an overnight stay in the Serengeti

## DAY BY DAY ITINERARY

### **DAY 8: WILDLIFE PHOTOGRAPHY IN SERENGETI NATIONAL PARK**

Morning and Afternoon game drives in the Serengeti, exploring more on the last great migration of mammals on the planet. The area is also so rich in terms of the large Carnivore populations this time as these predators celebrate the coming through of the migratory prey animals in their areas! Part of the day, you will be looking for the Big Cats. Incidences of a Cheetah chasing a Gazelle or Lions making a kill and the **Great Migration** of animals that involves thousands and thousands of Wildebeests and Zebras are just some of the unique sightings you may encounter on safari in Africa. **Serengeti National Park** has all these for you on your African Photo Safari during your visit! Dinner and an overnight stay in the Serengeti

### **DAY 9: FLY FROM SERENGETI – ARUSHA**

Today is another wonderful experience, boarding your plane and flying low over the remote wilderness and the scenic volcanic mountains back to Arusha for lunch and a day room. Late afternoon, you will be transferred to Kilimanjaro Airport for your International Flight connections.
